

APCA 9th Annual “Taste of Asia” Fundraising Banquet

On the evening of May 10, 2014, the Asian Pacific Community in Action (APCA) honored St. Luke’s Health Initiative, Dr. Anthony Yeung, and Josefina “Jo” Barone, MBA, RN, for their contributions to improving the health and lives of countless Arizonans.

Dr. Yeung, former President a long-time member of the MCMS, was the recipient of a APCA Lifetime Achievement Award. Dr. Kelly Hsu, also a MCMS member, APCA Founder and board member, was Chair of the event.

The 9th annual Taste of Asia fundraising banquet was held at the Doubletree Paradise Valley Resort, and included a talent showcase, silent auction, and Asian hors d’oeuvres. Local Asian and Pacific Islander community members, governmental officials, and health-care providers were in attendance.

Asian Pacific Community in Action is as a grassroots non-profit agency created to ensure culturally responsive health information and health services for low-income Asian Americans and Pacific Islanders in the greater Phoenix metropolitan area. Established in 2002, APCA remains the only organization in Arizona that provides comprehensive health services specifically for these communities.

APCA also serves refugees from Asia and other continents. APCA’s mission is to provide services, advocacy and education for diverse communities resulting in a healthier and more empowered population overall.
